

PROCESS OF FEEDBACK COLLECTION FROM STAKEHOLDERS ON CURRICULAM

Feedback from Final year students:

The final year students were divided into subgroups and discussion was carried out with the support of the faculty members in order to enrich the curriculum. Based on the discussion, suggestions were consolidated and written in a prescribed form. The compilation of feedback was used for enriching the curriculum.

Feedback from Alumni:

Annual alumni meet is organized every year on 2nd October. On this day, common get together meeting and Department wise meetings were organized. During the meeting, current issues like curriculum, employability was discussed and feedback is collected on course content. Feedback is also collected throughout the year from Alumni at the time of their visit to college for guest lecture. These suggestions were incorporated while revising syllabus.

Feedback from Parent:

The feedback was collected from parents during Parent Teachers Association (PTA) meetings with the help of Class teachers. Feedbacks were collected on curriculum to enhance the teaching learning process.

Feedback from Employer:

Feedbacks were collected from the potential employer to enrich the employability component and to incorporate recent trends, emerging concepts in to curriculum which in turn helps the teaching learning process and Bos Syllabus revision.

Feedback from Staff:

Faculty members discuss together for reviewing and revising the syllabus. They give inputs on recent development and emerging concepts in curriculum. All the inputs and feedback were consolidated and incorporated in BoS Meeting.

**REPORT ON STAKEHOLDER'S FEEDBACK
ON CURRICULAM
2014-2015**
