WORKSHOP ON CLOUD COMPUTING

1. **Organising Department** : Computer Science and Information Technology
2. **Name of the Programme** : "Cloud Computing"
3. **Type of Programme** : Seminar
4. **Date of Programme** : 5th March, 2015
5. **Venue** : HRD Hall
6. **Participants & No** : M.Sc (CS & IT) Total: 15

Details of Chief Guest/Resource Person:

➢ Mr.Ashok Kumar, Software developer, L & T Technologies, Chennai

About the Programme:

➢ The Department of Computer Science and Information Technology has organized a seminar on Cloud Computing" for the M.Sc. CS & IT Students
➢ The session has started at 11:00 am and ended by 1:00 pm: Mr.Ashok kumar, Software developer, L & T Technologies, Chennai was invited as resource person.
➢ Resource person deliberated that **Cloud Computing** is the internet based enabler for sharing of technological infrastructural resources, software and digital content, allowing them (Infrastructure, Platforms, and Software) to be offered on pay-for-use.

Session was covered the following concepts

- What is the Cloud?
- What is the difference between Cloud and Virtualization?
- Why should we move to the Cloud? ™
- Opportunities and Applications over the Cloud. ™
- Challenges, in particular, Security Issues. ™
- Future outlook for the Cloud Computing ™
- Career Opportunities for Cloud Professionals

Mr.T.Kumaresan, HOD of CS & IT and all the faculties and students from M.Sc (CS & IT) have participated in the programme.

SEMINAR ON RECENT TRENDS IN INFORMATION TECHNOLOGY

1. **Organising Department** : Computer Science and Information Technology
2. **Name of the Programme** : "Recent trends in information technology"
3. **Type of Programme** : Seminar
4. **Date of Programme** : 25th August , 2015
5. **Venue** : Alumni Hall
6. **Participants & No** : B.SC (CS) & IT ,M.Sc(CS & IT)-120

Details of Chief Guest/Resource Person:

➢ Mr. James raj kumar, Dot net developer ,Tech Mahendra,Chennai

About the Programme

➢ The Department of Computer Science and Information Technology has organized a seminar on **"Recent Trends in IT"**on 25 th August , 2015 the benefit of   CS & IT Students

➢ The session has started at 11:00 am and ended by 1:00 pm Mr. James raj kumar, Dot net developer ,Tech Mahendra,Chennai was invited as resource person.

Resource person explained about the following concepts in blue brain technology

▪ It acts as a supercomputer and development in processing, speed and memory could simulate the human brain.
▪ The blue brain can remember the things with less effort.
▪ The intelligence of the person can be used even after the death of a body.
▪ The blue brain can make own decisions and permits the deaf to hear through direct nerve stimulation.
▪ Helps in gathering and testing 100 years of data.And also explained about usage and functions of blue berry software

The faculties Mr.T.Kumaresan, HOD of CS & IT and all the faculties and students from M.Sc (CS & IT) and B.Sc(CS & IT) have participated in the programme.

WORKSHOP ON OPEN SOURCE SOFTWARE

1. **Organising Department** : Computer Science and Information Technology
2. **Name of the Programme** : "Open source software"
3. **Type of Programme** : Workshop
4. **Date of Programme** : 29th September, 2015
5. **Venue** : HRD Hall
6. **Participants & No** : III CS & IT Students -105

Details of Chief Guest/Resource Person:

➢ Mrs. K. Nathiya, Asst. System Engineer, TATA CONSULTANCY SERVICE, Chennai

About the Programme:

➢ The Department of Computer Science and Information Technology has organized a workshop on "Open source software". Mrs. K. Nathiya, Asst. System Engineer, TATA CONSULTANCY SERVICE, Chennai addressed the final year CS & IT Students.
➢ The session has started at 10:30 am and ended by 1:30 pm.
➢ The resource person discus open-source software (OSS) is software that is distributed with source code that may be read or modified by users. The OSS community generally agrees that open-source software should meet the following criteria:

- *The program must be freely distributed*
- *Source code must be included with the program*
- *Anyone must be able to modify the source code*
- *Modified versions of the source code may be redistributed*

Session was focus on the following topics

- Freedom to study the code
- Freedom to improve the program
- Freedom to run the program anytime, for any purpose on any machine.
- Freedom to redistribute.
- MATLAB Software

Mrs.S.Brindha HOD of CS & IT, and all the facilities and the students from III B.Sc(CS) & III B.Sc(IT) and have participated in the programme.

WORKSHOP ON MOBILE COMPUTING

1. Organising Department   : Computer Science and Information Technology
2. Name of the Programme   : "Mobile Computing"
3. Type of Programme   : SEMINAR
4. Date of Programme   : 22 /01/ 2016
5. Venue   : HRD Hall
6. Participants & No   : CS & IT Students - 110

Details of Chief Guest/Resource Person:

➢ Mr. A. Muthaiya, Programmer, Moi Tech software, Madurai.

About the Programme

➢ The Department of Computer Science and Information Technology has organized a workshop on "Mobile Computing" for the benefit of pre-final year CS & IT Students
➢ The session has started at 2:30 pm to 5.30 pm Mr.A.Muthaiya, Programmer, Moi Tech software, Madurai was invited as resource person.
➢ The resource person discussed on Mobile Computing is a technology that allows transmission of data, voice and video via a computer or any other wireless enabled device without having to be connected to a fixed physical link.

The main concept involves −

• Mobile communication
• Mobile hardware
• Mobile software

Seminar focused on the following topics

• What is Mobile Computing?
• Comparison to wired networks
• Why go mobile?
• Types of wireless devices
• Mobile objects
• Moving object databases (MOD)
• Query language for MOD
• Applications of Mobile Computing
• Challenges
• Future of Mobile Computing

Mr.P.Manickam HOD of CS & IT, and all the facilities and the students from III B.Sc(CS) & III B.Sc(IT) and have participated in the programme.

WORKSHOP ON ADVANCED WIRELESS NETWORKS

1. **Organising Department**   : Computer Science and Information Technology
2. **Name of the Programme**   : "Advanced Wireless Networks"
3. **Type of Programme**   : Guest Lecture
4. **Date of Programme**   : 8th January, 2016
5. **Venue**   : HRD Hall
6. **Participants & No**   : Final Year CS & IT Students -35

Details of Chief Guest/Resource Person:

- Mr. K. Alagu Raja, Software developer, Volante Software Pvt Ltd, Chennai

About the Programme:

- The Department of Computer Science and Information Technology has organized a workshop on "Advanced Wireless Networks" **for** the benefit of final year CS & IT Students.
- The session has started at 10:30 am and end by 1:45 pm.
- The resource person discussed on WIRELESS NETWORKS is computer networks that are not connected by cables of any kind. The use of a wireless network enables enterprises to avoid the costly process of introducing cables into buildings or as a connection between different equipment locations.

The session was focus on the following topics

- **LIFI Technology**
  Advantages of LIFI
  Comparison between wifi and lifi
  Implementation of LIFI
- **Sensor Networks**
  Sensor networks components
  Benefit of sensor networks
  Applications of sensor networks

   Mr.P.Manickam HOD of CS & IT, and all the faculties and the students from III B.Sc(CS) & III B.Sc(IT) and have participated in the programme.

--- ------------------------------------

SEMINAR ON MOBILE AD-HOC NETWORKS

1. **Organising Department**   : Computer Science and Information Technology
2. **Name of the Programme**   : "**MOBILE ADHOC NETWORKS**"
3. **Type of Programme**   : SEMINAR
4. **Date of Programme**   : 21st FEBRUARY 2016
5. **Venue**   : HRD Hall
6. **Participants & No**   : CS & IT Students – Total: 112

Details of Chief Guest/Resource Person:

➢ **P.Raja Vel, Network Engineer, CNSI (Client Network Services India), Chennai.**

About the Programme:

➢ The Department of Computer Science and Information Technology has organized a one day seminar on "**MOBILE ADHOC NETWORKS**" on 21ST FEBRUARY 2016 **for** the benefit of CS & IT Students.

➢ The session has started at 10:45 am and ended by 2:00 pm.

➢ Resource person shared his knowledge on an **AD HOC NETWORK** is a network that is composed of individual devices communicating with each other directly. The term implies spontaneous or impromptu construction because these networks often bypass the gate keeping hardware or central access point such as a router. Many ad hoc networks are local area networks where computers or other devices are enabled to send data directly to one another rather than going through a centralized access point.

Student learnt about the following topics

- Mobile Networks
- Types of Networks
- MANET
- Vehicular ad hoc network
- Internet based MANET

Mrs.S.Brindha HOD of CS & IT, and all the faculties and the students from second and third year B.Sc(CS) and B.Sc(IT) and participated in the programme.

WORKSHOP ON DOT NET TECHNOLOGIES

1. **Organising Department** : Computer Science and Information Technology
2. **Name of the Programme** : "DOT NET TECHNOLOGIES"
3. **Type of Programme** : SEMINAR
4. **Date of Programme** : 17 /03/ 2016
5. **Venue** : HRD Hall
6. **Participants & No** : CS & IT Students -101

Details of Chief Guest/Resource Person:

➢ Mr.D.Raj kumar, Team leader, KVP Software Pvt Ltd, Madurai.

About the Programme:

➢ The Department of Computer Science and Information Technology has organized a workshop on "**Dot net technologies**" **for** the benefit of pre-final year CS & IT Students.

➢ The session has started at 10:30am end by 2.00 pm.

➢ **Resource person described that DOT NET** is known as Business Policy, programming concept from Microsoft Web services. It has the ability to implement the web, not towards your computer but for different computer services.

➢ Microsoft main Agenda is to offer the continuous, web enabled applications and computing devices for everyone, to create a web browser oriented activities. It contains servers, designing blocks services, web based data storage, and device software

 The session covered the following concepts

- What is dot net frame work
- Introduction of Web technologies
- Architecture of Dot Net
- Definition of CLR
- Visual basic .net
- Asp.Net
- Crating dynamic web page using Asp.net

Mr.P.Manickam HOD of CS & IT, and all the faculties and the students from all the B.Sc(CS) & B.Sc(IT) and have participated in the programme.

SEMINAR ON BIG DATA

1. **Organising Department**   : Computer Science and Information Technology
2. **Name of the Programme**   : "BIG DATA"
3. **Type of Programme**   : SEMINAR
4. **Date of Programme**   : 14th July 2016
5. **Venue**   : HRD Hall
6. **Participants & No**   : III Year CS & IT Students -110

Details of Chief Guest/Resource Person:

 ➢ **S. Deepak Antony Raj, Software developer, Accenture Technology, Bangalore**.

About the Programme:

 ➢ The Department of Computer Science and Information Technology has organized a one day seminar on "Big data" on 14th July 2016 for the entire III year CS & IT Students.
 ➢ The session has started at 10:30 am and ended by 4:00 pm.
 ➢ Resource person discussed on BIG DATA is a term that describes the large volume of data – both structured and unstructured – that inundates a business on a day-to-day basis. He explained that it's not the amount of data that's important. It's what organizations do with the data that matters.

 Student will learn about the following topics

- Definition of big data .
- The structure of Big Data:
- Components of big data
- Advantages of big data
- Applications

Mr. P.MANICKAM, HOD of CS & IT and all the faculties and the students from III B.Sc(CS) & III B.Sc(IT) and have participated in the programme.

WORKSHOP ON GOODS AND SERVICES TAX-GST

1. **Organising Department** : Commerce and Commerce with Computer Application
2. **Name of the Programme** : "**GOODS AND SERVICES TAX-GST** "
3. **Type of Programme** : SEMINAR
4. **Date of Programme** : 24th Feb. 2017
5. **Venue** : HRD Hall
6. **Participants & No** : III BCom & BCom-CA Students -112

Details of Chief Guest/Resource Person:

➢ Mr.P.David Manickam, Assistant General Manager – HR, Fenner India Ltd., Madurai

About the Programme:

➢ The Department of Commerce has organized this Workshop on **Goods and Service Tax – GST** on 24th Feb. 2017 **for** the benefit of all final year Commerce Students.

➢ The session has started at 10:40 am and ended by 3:00 pm.

➢ Resource person discussed on Need and Importance of GST and describes the impact of it in the business arena at a large volume. This gave the students an insight on the GST and its importance in business and national development.

 Student learnt about the following topics in the Workshop:

- Definition of GST
- The structure of GST
- Components of GST
- Advantages of GST
- Applications of GST

Ms. Dharani HOD of Commerce and all the faculties and the students from III BCom and IIIBCom-CA participated in the programme.

SEMINAR ON ETHICAL HACKING

1. **Organising Department** : Computer Science and Information Technology
2. **Name of the Programme** : Seminar on "ETHICAL HACKING"
3. **Type of Programme** : SEMINAR
4. **Date of Programme** : 21ST AUGUST 2017
5. **Venue** : HRD Hall
6. **Participants & No** : CS & IT Students

Details of Chief Guest/Resource Person:

➢ Mr.Pandiarajan, Senior Project Engineer, Wipro Technologies, Bangalore

About the Programme:

➢ The Department of Computer Science and Information Technology has organized a one day seminar on "ETHICAL HACKING" on 21ST AUGUST 2017 **for** the benefit of all year CS & IT Students.

➢ The session has started at 11:00 am and ended by 4:00 pm.

Student will learn the following topics

- Introduction of hacking
- Need for security
- Types of Hacking
- Black hat hacker
- White hat hacker
- Grey hat hacker
- System Hacking
- Protection mechanism

Mrs.S.Brindha HOD of CS & IT, and all the faculties and the students from I,II ,III CS & I ,II ,III IT Students have participated in the programme.

SEMINAR ON HR AND CAPACITY BUILDING

1. **Organising Department** : Master of Social Work - HRM
2. **Name of the Programme** : Seminar on HR and Capacity Building
3. **Type of Programme** : Seminar
4. **Date of Programme** : 8th Dec. 2017
5. **Venue** : HRD Hall

6. **Participants & No** : MSW Students, faculties and HR circle Total: 108
