

Madurai Institute of Social Sciences

Green Campus Policy

Preamble:

Madurai Institute of Social Sciences is committed to making its campus eco-friendly. By combining eco-friendly practices and education, the college aims to encourage students, staff, and the community to take responsibility for protecting the environment.

Objectives:

1. To increase understanding of environmental issues and the importance of sustainability.
2. To incorporate eco-friendly practices into the daily operations and culture of the college.

Functions of the Policy:

- Conduct regular workshops, seminars, and educational campaigns to increase knowledge about sustainable living and environmental protection.
- Educate the college community on proper waste disposal and reduction strategies.
- Promote energy conservation practices such as turning off lights when not used.
- Engage students in tree-planting activities
- Encourage eco-friendly transportation methods, such as cycling, and walking.
- Train students to conduct public outreach on environmental issues and practices.
- Partner with local organizations to promote environmental sustainability within the surrounding community.
- Implement a plastic-free campus initiative to eliminate single-use plastics and promote sustainable alternatives.
