OUR EMBLEM AND MOTTO

**Our Nation
Our Home**

**One Nation
One World**

Our college emblem contains **LAMP ON THE GLOBE** with an **OPEN BOOK** with the inscription of college motto in between.

STRIVE TO SERVE is our motto.

Lamp on the globe indicates **illumination of mind and soul**. Globe signifies globalization and cultures and **interdependency of nations**.

Our emblem Lamp symbolizes the **LOVE** in selfless service. The five faces of the lamp signify the following five methods of Social work

- 1) Social Case Work, dealing with individual's problem,
- 2) Social Group Work, dealing with problems of people in group,
- 3) Community Organization, dealing with problems of the community,
- 4) Social Work Administration, dealing with the administration of Social Service Organizations and
- 5) Social Work Research, dealing with the questions related to social conditions. The oil used in the lamp symbolizes the spirit of service and sacrifice of the students who are trained in MISS.

The open book in the emblem symbolizes MISS as a learning Organization and the education imparted. The light that emanates from the lamp would **dispel darkness and illuminate individual's heart and soul** who in turn would spread this light to the whole humanity.

Our college motto, **STRIVE TO SERVE**, is self-explanatory. To make the whole man of the student with necessary and relevant academic excellence, administrative ability, professional skill and above all ability of mind to serve the society is very well explained by our motto. In simple words it implies the idea of **OUR NATION OUR HOME, ONE WORLD ONE NATION**.

OUR COLLEGE PRAYER

Knoweth he God
Deservedly respectful is he

Taketh others pain on him
Rusheth to eliminate sorrow
Selfless in love and service
Striveth for universal happiness

Saddened by others hunger
Feeleth self appetite
Feedeth the hungry pleasingly
Yet no self trumpet blown

Nurseth the sick
With boundless love and care
In selflessness, sacrifice, service
Likened a mother is he

ABOUT THE INSTITUTE

The Madurai Institute of Social Sciences, originally named as Madurai Institute of Social Work, was established by **Dr.(Capt.) D.V.P. Raja** with the utmost co-operation and benign blessings of nationalistic leaders like **Sir. PT.Rajan** in Madurai in the year 1969 to propagate meaningful message “**Our nation Our Home : One world One Nation**”. The Institute is registered under the **Societies Registration Act (54/1969)**. The name of the Society is then changed in 1985 as **Capt. D V R Foundation for HRD** with an aim of dedicating its activities for the development of Human resources. Madurai Institute of Social Sciences is an educational wing of the **Capt. DVR Foundation for HRD**.

The institute is a Multi-faculty College and Research Institution affiliated to Madurai Kamaraj University, Madurai. The institute is recognized by both the Central and State Governments as an academic institution and has been regularly receiving the Government Grants from University Grants Commission. Madurai Institute of Social Sciences commenced functioning with a mere handful of 4 students in the beginning, which has grown like a deeply rooted Banyan tree. This tree provides shade and shelter to more than 900 students who are able to develop their skill and will and thus serve the organization and society effectively and through the society to the nation. The changing scenario in the field of education with the introduction of advanced technology, even in the field of human services, makes it imperative for the institute to introduce Computer and Information Technology based courses.
